Experience Viet Nam's Timeless Charm

Viet Nam's 63 provinces and cities, encapsulated by its diverse natural environment, geography, history, and culture, attract tourists throughout the year. The country boasts 24 heritage sites, of which host city Ha Long Bay, a UNESCO natural wonder heritage site, will become the perfect setting for the 2019 ATF Viet Nam in Quang Ninh province.

Viet Nam balances cool urban culture with deeply rooted traditional values. Vibrant street life, exquisite food and epic landscapes are just the start of what you'll find. In the cities, ancient pagodas sit just around the corner from sleek rooftop bars. In the countryside, life still follows the rhythms of the rice harvest, and there's always time for a coffee on the sidewalk. Long coastlines, grottoes and islands dot the bays, offering a calm respite from the bustle of city life. Viet Nam seeks to charm with every turn and season.

While at ATF 2019, why not start your discovery of Viet Nam in these lovely destinations across the Quang Ninh province:

● **Yen Tu Mountain**

● **Binh Lieu District**

● **Co To Island**

● **Yen Duc Village**

● Host City Ha Long

Ha Long City (Bai Chay) is the capital of Quang Ninh province and the gateway to world-renowned Ha Long Bay. A picture of northern old world charm alongside new world developments, delegates can experience both vibrant street life and modern pleasures in Ha Long. The bay is home to 1,969 stone islands and grottoes that tell stories of earth's evolution. With rich tropical marine eco-systems, the alluring emerald waters and illusion of changing shapes and hues at different times of the day guarantee unique experiences with every visit.

Getting There

By Air

Noi Bai International Airport (Ha Noi)
Located 180km from Ha Long city.

By Road

Private car and coach/bus options are available from Ha Noi, Hai Phong, and Mong Cai city. Getting to Ha Long by car from Ha Noi takes approximately 2.5hours.
