### **Company Description**

Thailand Convention & Exhibition Bureau  
Leadership and service for global MICE

Thailand Convention & Exhibition Bureau (TCEB) was established in 2004 with the mission to develop Thailand as one of the world's leading destinations for meetings, incentives, conventions and exhibitions (MICE). As the bridge that connects local and overseas stakeholder groups, it is dedicated to the success of both through international collaboration and professional development. The COVID-19 pandemic has highlighted the importance of a global perspective when formulating industry policies and support measures. TCEB campaigns this year take into account the extraordinary circumstances local and overseas clients faced, with many being solutions co-created with industry. They are practical but also accountable and forward-looking. From the best-practice advisory 'MICE Hygiene Guideline' to the innovation-driven "Thailand's MICE Startup", they have been crafted with our "EXTRA CARE" to address the industry's challenges as much as to uncover new opportunities in the new normal. TCEB aspires to be the resource entrepreneurs of the world can draw from to excel in MICE and makes Thailand a destination where they can "Experience the Extraordinary".

### **Company Description**

For more than 30 years, Bluewater Resorts made a reputation for creating a unique collection of resort properties that are professionally-run, with world-class amenities, and distinctly Filipino. Its brand is synonymous with the Filipino lifestyle experience: creative, warm, friendly, attentive, caring, and relaxing.

Bluewater Maribago in Mactan Island, Cebu, the flagship property, is a lush 7-hectare tropical paradise of pure intimate pleasure. Here, your options are countless: 174 well-appointed rooms, 110 –meter beachfront of pristine sand, a private island, 3 lagoon-shaped pools with waterfalls, children’s playground, recreation, and water sports centre, full-service restaurants and bars, and the pampering treatment of Amuma Spa.

Bluewater Sumilon, opened in 2005, is a 24-hectare coral island, located on the Southeastern tip of Cebu. Sumilon Island has the first Philippine marine sanctuary and is touted as one of Cebu’s best kept-secrets, with shifting white sand, breathtaking views, clear water, and great diving spots.

The newest property, Bluewater Panglao Resort, offers a luxurious escape that honours Bohol’s natural beauty. Nestled in an island with white-sand beaches, pristine waters, and marine sanctuaries, the resort’s Filipino architecture and design complement Bohol’s culture, inherent warm hospitality, and eco-focused initiatives.

### **Company Description**

Waterfront Philippines, Inc. (WPI) operates one of the top Filipino-owned hotel chains in the country. A pioneer in promoting a distinctly Filipino brand of leisure and hospitality, WPI carries several valued properties under its umbrella, making a strong imprint in every major Philippine City. Our presence in Manila, Cebu, and Davao in key business and tourism areas makes us a highly-prized focal point of every traveller's ideal itinerary.

WPI is registered as an investment holding company for hotel, leisure and tourism businesses. Our wholly-owned subsidiaries are Waterfront Mactan Casino Hotel, Inc. (WMCHI) and Waterfront Cebu City Casino Hotel, Inc. (WCCCHI). In 1995, we acquired Waterfront Promotion Ltd., (WPL) from Waterfront Amusement and Gaming Limited (WAGL) and became its wholly-owned subsidiary. WPL was incorporated in the Cayman Islands to primarily provide international marketing and promotion of hotels and casinos.

The world-class facilities we bring to the cities where our brand is present provide an unforgettable package – a diverse and complete entertainment system that will attract local, regional, and international visitors. Today, we keep our lead in the market by building on past successes and constantly improving on the guest experience, making it current and relevant.

The Seoul Convention Bureau (SCB) is a division in the Seoul Tourism Organization (STO) which is fully funded by the metropolitan government. One of our important tasks is to support the private sectors of the MICE industry in Seoul. We promote the city together through advertisement on global media and attending global exhibitions together.

The background behind the support program named PLUS SEOUL is to provide the customised supports to the MICE events in Seoul with the private sectors, mainly with the Seoul MICE Alliance to offer memorable events to the participants so they would return to the city repeatedly. This will bring an increase in MICE business in the city and create a sustainable cycle of continuous business in the industry.

Romantic island within the city, N SEOUL TOWER

The N SEOUL TOWER, a complex culture space in Seoul, is where the clouds seem to meet with Namsan Mountain. It shows visitors the harmony of Namsan's nature, the 21st-century state of the art, resting with leisure, and various cultures.

The N SEOUL TOWER, which is a symbol of Seoul now, was established at the highest point to glance at the most beautiful images of Seoul. It is also Korea's first general radio wave tower from 1969, delivering TV and radio broadcasting in the metropolitan area. 48% of the national audio population watches broadcasting through this transmission tower.

Since the N SEOUL TOWER was opened to the general Public in 1980, it has become a resting place for the citizens of Seoul as well as a touristic attraction for foreigners with the living nature of Namsan.

With the latest LED technology lighting, which constantly changes colours and patterns, it has become a 'light art' providing various media art together with an unusual cultural art experience. As a complex cultural space representing Seoul, the newly born N SEOUL TOWER is a proud landmark of Seoul.

### Company Description

The City of Yokohama is a beautiful port city, conveniently located on the Tokyo Bay, only 24 minutes distance from Metropolitan Tokyo by road or rail. As the first Japanese port that opened its gate to the world 160 years ago, Yokohama has created a unique blend of Japanese and overseas cultures.

Yokohama offers diverse experiences from authentic Japanese gardens to a modern city centre full of skyscrapers.

Yokohama Convention & Visitors Bureau supports every meeting organizer and ensures the great success of your event in Yokohama. Our main venue, PACIFICO Yokohama is one of the largest facilities in Japan with a 5,000-seat National Convention Hall, a 50-room Conference Center and a 20,000 sqm Exhibition Hall. In spring of 2020, a new venue North has opened, featuring the carpeted column-free 6,300 sqm multi-purpose hall and 42 meeting rooms.

Yokohama has successfully hosted APEC 2010 (8,000 attendees) and the World Conference on Lung Cancer 2017 (6,000 attendees). We will be hosting the ICCA Asia Pacific Chapter Summit 2020.

With its ideal location, convenient transportation system, a wide range of accommodations, and full support and services from the convention bureau, Yokohama makes a perfect destination for your meetings and all kinds of gatherings.

Centara Hotels & Resorts, Thailand's leading hospitality group, operates many of the best venues in Southeast Asia for company and social events. In Thailand, Centara offers 35 properties in 14 of the country's most popular destinations. They range from five-star city hotels with spacious conference facilities to spectacular island resorts experienced at hosting weddings and corporate retreats. In Bangkok, Centara operates three convention centres attached to its hotels – in the central business district, at a major shopping/mass transit hub, and in the city's main government complex. Centara also manages hotel-convention centres in Northeast Thailand's top two cities.

Centara's event teams give you partners with over 30 years of experience in planning every type of event. This experience, plus the locations, design and diversity of its venues, make Centara the most capable and reliable event host.

Centara's continuing international expansion offers MICE planners the brand's famous Thai hospitality, food service excellence, and event organisation experience in Sri Lanka, the Maldives, Vietnam, Oman and Qatar (with China and the UAE on the near horizon). Centara's upscale and upper-upscale properties provide ideal venues for events of any scale – from international conventions to regional corporate meetings, society events and banquets.

JAPAN

### **Company Description**

Founded in 2009 and comprised of 20 PCOs from around the globe, the World PCO Alliance provides leadership in meeting management through the delivery of streamlined and effective international meetings. The Alliance's mandate includes the collective exchange of education and technology for the mutual benefit of the industry and ensuring the effective global promotion of its clients' events. In light of current COVID 19-related challenges facing our industry, Alliance partners support alternate meeting formats, including virtual and hybrid events, and actively assist their clients in implementing such formats.

Each partner of the Alliance is a respected industry leader in their respective country, offering negotiating power with local suppliers and knowledge of any relevant regulations/laws affecting events. With such a strong network of talent to draw from, Alliance partners' events can seamlessly move from one host country to the next, enjoying the same expertise, local insight, and negotiating power. Our partners include leading event planning companies in Asia, and the Alliance advocates for the continued excellence of our industry professionals in the Asia-Pacific region. The World PCO Alliance proudly supports the values at the core of IT&CMA and is delighted to participate in this distinguished event.

### **Company Description:**

THINK MICE – a magazine dedicated to the Polish and international meetings industry (MICE) and its scope encompasses all of the segments in question: meetings, incentive trips, congresses and conferences.

By adopting an in-depth and multi-faceted approach to covered issues, we present the role and significance of the industry for, i.a. broadly defined marketing communication, employer branding and destination marketing. We interview the prominent representatives of the meetings industry, take a closer look at their profiles and achievements, and discuss the noteworthy case studies. The blogger section is an unquestionable highlight of the magazine, offering a glimpse into the perspective of foreign industry practitioners. The publication reports on all the latest events in the MICE sector, but its main focus is on analytical materials with industry experts sharing their expertise and opinions.

THINK MICE is targeting corporate and company meeting planners – heads and staff of HR, PR and marketing departments, responsible for marketing communication in the broad sense of the term. Our target audience also involves agency teams handling the organization of events, conferences, congresses and incentive trips. Finally, we reach the personnel of city and regional convention bureaux and representatives of venues, e.g. hotels, training-conference centres and trade fair-exhibition venues.
